### IT REALLY MEANS:

Did not sell well when new  
Painted with a paint brush  
Squirrels have hidden acorns in it  
Just throws it out  
It is covered with body putty  
It's too bad to lie about  
No one will buy it  
Can't find parts anywhere  
There are some seat springs in a bag somewhere  
Has new spark plugs  
May not  
Third time around  
Still needs more  
Needed that much to cover all the rust  
Except for the dirt  
The best that it will do  
3 worst of class trophies  
In a chicken coop  
Sticks out like a sore thumb  
It is in 6-bushel baskets  
Tree growing through it  
Only leaks when it rains  
Can't depreciate any more
